**WE NEED YOUR HELP WITH THESE PROJECTS...**

### “THEN-NOW” BOOK PUBLISHING PROJECT

We are working on a second book to follow our successful “Images of Hatboro.” Our new book will highlight images of Hatboro’s past and the way they look today, and brief stories about them. The book will educate current and future residents about our rich local history. Revenue from book sales will help support the Society’s Mission. We need help with:

- Researching history of selected pictures.
- Organizing details and writing a brief paragraph.
- Taking “Now” photos in the Hatboro area.

You can work independently or on a small group. You can work at Millbrook or from home. We conduct periodic update meetings. ***Do you want to part of publishing our next book?!***

### COLONIAL WARDROBE PROJECTS....WE NEED A STITCH IN TIME!

We are making colonial-era clothing including dresses and men’s jackets, and men’s haversacks. We are following patterns, cutting material and sewing by hand and/or machine.

You can work from home or at Millbrook. We will provide the patterns and materials... ***we just need your time and sewing talents!***
